**You may need to fill out this form for each month you use Carol's Affordable Curriculum and keep handy for the Child Care Licensing Department. There is no guarantee that these training hours will be accredited towards your yearly training. Please check with your licensing department.

Dear customer,

We are providing you with this simple Curriculum Objectives sheet for you to copy and use. Some states require this form to be filled out by the care giver in order for the training hours to be credited. Some states will not allow curriculum hours at all. Please check with your licenser and see if you can use this form and receive credit hours.

Thank you for using Carol's Affordable Curriculum.

Sincerely,

Carol
